

## UPDATE: 2.0L TDI Approved Emissions Modifications

U.S. regulators have approved an emissions modification for the following 2.0L TDI vehicles with automatic and manual transmissions:

- Model Year 2009-2014 Volkswagen Jetta
- Model Year 2009 Volkswagen Jetta Wagon
- Model Year 2010-2013 Volkswagen Golf
- Model Year 2010-2014 Volkswagen Golf Wagon
- Model Year 2013-2014 Volkswagen Beetle
- Model Year 2010-2013 Audi A3

If you are an owner or lessee of one of these vehicles, the modification, which requires both a software and hardware update, is available now from your preferred dealership in Canada at no charge to you. Notice is being provided to affected owners and lessees with more information on the modification.

In addition, an approved emissions modification is available in Canada for 2.0L TDI model year 2015 Audi A3 and Volkswagen Beetle, Golf, Golf Sportwagon, Jetta and Passat vehicles with automatic and manual transmissions. An approved emissions modification is also available in Canada for 2.0L TDI model year 2012-2014 Volkswagen Passat vehicles with automatic transmissions. More information on these modifications is available in the [Approved Emissions Modification](#) section of this website.

Please note that if you are eligible for the Settlement, you may qualify for alternative benefits to the emissions modification. **If you think you are included in the Settlement, it is recommended that you contact the Canadian Settlement Claims Centre at 1-888-670-4773 before proceeding with the recall for the emissions modification.**
