

Class Update Regarding 3.0-Litre Generation 1.1 TDI Vehicles – Approved Emissions
Modification Available

Dear Owner or Lessee,

Our records indicate that you may be the owner or lessee of a model year 2009 – 2010 Volkswagen Touareg or Audi Q7 TDI vehicle that could be within the scope of the nationwide Volkswagen/Audi/Porsche 3.0-Litre Diesel Emissions Settlement Program in Canada (the “3.0L Settlement”). You are receiving this notice because a Reduced Emissions Modification for your vehicle is now available in Canada.

U.S. regulators, including the Environmental Protection Agency, have approved an emissions modification for model year 2009 – 2010 Volkswagen Touareg and Audi Q7 3.0-litre TDI vehicles. This modification will bring your vehicle into compliance with U.S. EPA-approved emissions limits.

The emissions modification for your vehicle can now be received free of charge from an authorized Volkswagen/Audi dealer in Canada, together with an extended emissions warranty. The emissions modification will take approximately two hours to complete. If you come in for the modification, Volkswagen/Audi will provide you with a loaner vehicle at zero cost to you.

Information regarding the impact the emissions modification will have on your vehicle performance, as well as details on the warranty extension for certain emissions-related components, is provided in the recall notice available at www.VWCanadaSettlement.ca. To receive a paper copy of the recall notice in the mail, please call us at 1-888-670-4773. An additional informational booklet is also available on the 3.0L Settlement website.

Being subject to the recall for the Reduced Emissions Modification does not prevent you from participating in the 3.0L Settlement. If you are eligible for the 3.0L Settlement, you may qualify to choose a Buyback, Trade-In or Early Lease Termination as an alternative to receiving the Reduced Emissions Modification. However, **proceeding with the recall for this emissions modification will eliminate any rights that you may have to choose a Buyback, Trade-In or Early Lease Termination under the 3.0L Settlement.** If you think you are included in the 3.0L Settlement, it is recommended that you contact the Canadian Settlement Claims Centre at 1-888-670-4773 before proceeding with the recall for the Reduced Emissions Modification.

Sincerely,

RicePoint Administration Inc.

RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS
MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE BENEFITS FROM THE
3.0L SETTLEMENT.
