

**Class Update regarding 2.0L Generation 2 TDI Vehicle without Approved Emissions Modification**

Dear Volkswagen Owner or Lessee,

Our records indicate that you may be the owner or lessee of a Generation 2 model year 2012-2014 TDI Passat (“Gen 2 Passat”) with an automatic transmission and have not received the Approved Emissions Modification (“AEM”) for your Gen 2 Passat. This notice is to inform you that Volkswagen has identified a problem with the AEM available for your vehicle. This problem is described in the emissions recall update letter available [here](#).

If our records are in error and you have already received the AEM, please refer to [this](#) emissions recall update letter and avoid driving over 128km/h. If you have selected another benefit option under the Settlement, such as the Buyback, Trade-In or Early Lease Termination, this recall update will not affect you, unless you switch your benefit selection to the AEM option.

Volkswagen is awaiting U.S. Environmental Protection Agency approval of the software calibration update to correct this issue. Once approved, and if you have selected the AEM option as your settlement benefit, you may bring your Gen 2 Passat to an authorized Volkswagen dealer who will be able to perform the AEM with the updated software calibration free of charge.

If you submitted a valid claim under the Settlement by the September 2018 deadline, have not yet received the AEM, and are otherwise eligible under the Settlement for a Buyback, Trade-In or Early Lease Termination, you may switch your Settlement benefit option. If you would like to switch your benefit option, you should do so no later than December 3, 2018. Please call the Canadian Settlement Claims Centre at 1-888-670-4773 to switch your benefit option.

If you choose the updated AEM plus cash payment as your Settlement option, you will receive a notice informing you when the software update is available. When you receive the notice, contact your authorized Volkswagen dealer for an appointment to perform the AEM. Your cash payment will be mailed to you after the AEM is performed.

If you have any questions, you may visit [www.VWCanadaSettlement.ca](http://www.VWCanadaSettlement.ca) for more information or contact the Canadian Settlement Claims Centre at 1-888-670-4773.

Sincerely,

RicePoint Administration Inc.

*RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU ARE ENTITLED TO RECEIVE SETTLEMENT BENEFITS*
